

Poins Square first started operations in 2005 and has since grown to be one of the favorite mall

in the southern Jakarta. Sitting on about 2.5 Hectares of land, Poins Square has been built on a very

strategic location just on the out skirt of Pondok Indah.

It offers the kind of luxurious comfort, security living with an integrated shopping mall and multi-use

complex apartment, 15 floors building with excellent facilities and comforts such as swimming pools

(Main and Lap pool) and Fitness Centre.

It has 24-hours security surveillance, laundry service, Pool Table, Table Tennis and more to fit modern

lifestyle.

Due to its prime location, it has easy access to most nearby facilities such as banking (Citibank and BCA),

International Schools (Jakarta, Singapore and STB- Anglo Chinese Schools), International Hospitals and Clinics

(Pondok Indah, Siloam, Premier, Mayapada and International SOS).

And it is close proximity to Pondok Indah Mall I and Cilandak Town Square

(Citos).

The Jakarta MonoRail System (Lebak Bulus) is currently underway in construction and will be ready

around the year 2016.

Furthermore it is just 5-10 minutes away from Cilandak and Simatupang office district area via toll road.

Cilandak and Simatupang district houses a lot of the multinational companies such as Conoco

Philips Indonesia, Trakindo, Nestle Indonesia, Schneider Electricity Indonesia, Thiess Contractors and others.

In addition due to nearby toll road accessibility, it doesn't take long to go to Bumi Serpong Damai,

Alam Sutera and also to Kelapa Gading.

Poins Square Shopping Mall itself is very unique in its design It is seven storey

high with 4 void

decks and 36 escalators. Inside the mall it offers a huge range of products and services just to serve

our customers.

You can find almost anything @ Poins ranging from Electronics, Computers, Cameras, Book Store,
